KIMOTO TSUMU

The tales on Bakumatsu's been lifted, huh... with that in mind, I immediately drew Shinsengumi (Ah! Bakumatsu ~ a period in Japan's history)

Soup became quite popular despite having appeared in only a few novels. It looks like vintage "sok" on the book was a total move (suck?) Thank you for comments like "Quite realistic (suck)" On a side note, I was absolutely fascinated by the Shinsengumi during my primary and middle school years. I gathered materials and did a lot of research on them back then.

The result of all that research ~ I fell head over heels for Tetsuzo Shinsuu (of Shinsengumi).

Those were the days.

CHAPTER 10

Reinhold and the Sea Classroom

I drew a story about Reinhold even though I've never done it myself. I do like to write though.

But really to have never seen to the sea, some sense of doing the New Year's first during vent even I wonder what kind of life he lives. I usually just spent most of the day sitting cross-legged in a corner of the room (I'm not your reason, well)

he sorry I did I usually sit in the center of the room. I sit cross-legged in the center of the room (I'm not your reason, well)

The room disappears for the Sea Classroom held by the younger brother's school really was like this. I remember too and from looking out from behind our heads. All when he showed us the pictures.

THE GUY'S A GOOD KIDNAPER.
HE HADN'T LOST A SINGLE MATCH SINCE HE WAS A KID. HE'S ALSO THE NATIONAL 1ST CHAMPION.

YOU CAN ONLY GO ON THE GROUND TO GET AROUND.

REALLY?

SAKURA IS A VERY LOVELY GUY.

BUT DIDN'T HE JUST FALL OVER ON THE GYM FLOOR?

ABOUT FAN LETTERS

To everyone who sends me letters, drawings, New Year's cards, Valentine's gifts, Christmas presents... I thank you. Thank you all from the bottom of my heart for everything. I read each and every letter with great care.

As for broadcast senders, I'm already quite adept at figuring out who they're from by the handwriting and the envelope. Some people also send me photo stickers, so I bought a special book to stick those in. And when I receive music recommendations from people, I go and either rent or buy the music to enjoy at leisure.

It answers some
frequently asked
questions.

WHICH PROGRAM DID YOUR LITTLE BROTHER STUDY AT TECHNICAL SCHOOL?

Obviously I borrowed his textbooks, notes and assignments
from then to use as reference materials.

WHICH CHARACTER IS THE MOST POPULAR?

Every anime character is loved, for which I am very grateful... although...

Ikari → Shinsuke & Ikki's Adolescence

Ikari's → Ikki & Age-Adolescence

Ikari → Young Ikari's & Their 20s

Ikari → Adolescence

Each character appeals to different demographics.

A range of people, from primary schoolers to young women, also
say they like Kaitou. Perhaps housewives only like Kaitou, though.

Thank you very much!

If you count above,
I think, it's a Q&A
session like this every
Friday continues to
support me.
